

Activity Book 1 Curriculum

Activity 1 Work area
Activity 2 Shapes: Circles, Triangles, Squares
Activity 3 Shapes: Hearts, diamonds, rectangles
Activity 4 Counting visually without numbers
Activity 5 Counting by sound without numbers
Activity 6 Left and right
Activity 7 Left/right song
Activity 8 Opposites
Activity 9 Numbers 1-9 with unit cubes
Activity 10 Shapes: Matching
Activity 11 Counting 1-5 with blocks and fingers
Activity 12 Writing numbers: 1
Activity 13 Finding 1s on the number grid
Activity 14 Counting with fingers and shapes
Activity 15 Comparisons: Among 2
Activity 16 Logic: True or false
Activity 17 Comparisons: Among 3
Activity 18 Logic: True or false
Activity 19 Numbers 1-9 with unit cubes and number cards
Activity 20 Numbers: Memory
Activity 21 Decimal system
Activity 22 Counting by shape
Activity 23 Numbers 1-9 with number cards
Activity 24 Writing numbers: 2
Activity 25 Finding 2s on the number grid
Activity 26 Numbers using a ball
Activity 27 Numbers using sound and visuals
Activity 28 Comparison: quantity
Activity 29 Numbers: Introduction to zero
Activity 30 Shapes: points
Activity 31 Counting Song
Activity 32 Decimal system
Activity 33 Patterns: Identifying
Activity 34 Groups: Identifying
Activity 35 Patterns: Practice
Activity 36 Combinations
Activity 37 Numbers: Even and odd
Activity 38 Writing numbers: 3
Activity 39 Finding 3s on the number grid
Activity 40 Comparisons
Activity 41 Decimal system
Activity 42 Patterns

Activity Book 1 Curriculum

Activity 43 Counting a number of shapes
Activity 44 Comparisons: Shorter and longer
Activity 45 Symbols: +, =
Activity 46 Comparisons between quantities
Activity 47 Decimal system
Activity 48 Opposites
Activity 49 Opposites Song
Activity 50 Numbers: Skip counting by voice
Activity 51 Writing numbers: 4
Activity 52 Rows and columns
Activity 53 Columns
Activity 54 Rows
Activity 55 Decimal system
Activity 56 Review test #1
Activity 57 Review test #1 answers
Activity 58 Numbers: 1st subtraction; points and sides in a triangle
Activity 59 Patterns: Writing equations
Activity 60 Numbers: Reading backwards, Skip counting
Activity 61 Writing numbers: 5
Activity 62 Decimal system
Activity 63 Tables, rows, and columns
Activity 64 Rows and Columns Song
Activity 65 Comparisons: Swapping
Activity 66 Comparisons: Missing
Activity 67 Decimal system: Subtraction
Activity 68 Groups by shape
Activity 69 Groups: Sets, Counting
Activity 70 Comparisons: Groups, Subtraction
Activity 71 Decimal system
Activity 72 Length
Activity 73 Writing numbers: 6
Activity 74 Numbers: Comparison, Counting
Activity 75 Length
Activity 76 Numbers: Counting backwards by memory
Activity 77 Comparisons, Subtraction
Activity 78 Decimal system
Activity 79 Matching and counting pictures, Comparison
Activity 80 Decimal System
Activity 81 Volume: Comparison
Activity 82 Volume: Comparison, Addition
Activity 83 Comparisons: Height
Activity 84 Taller/longer/shorter Song

Activity Book 1 Curriculum

Activity 85 Decimal system
Activity 86 Writing numbers: 7
Activity 87 Counting: Skip, By memory
Activity 88 Comparisons: Length; Logic
Activity 89 Comparisons: Groups, Subtraction
Activity 90 Decimal System
Activity 91 Probability: Certainty
Activity 92 Probability: Uncertainty
Activity 93 Addition
Activity 94 Money: Pennies and Nickels
Activity 95 Money: Penny/Nickel comparisons
Activity 96 Left and right
Activity 97 Writing numbers: 8
Activity 98 Rotation
Activity 99 Rotation: Quarter turns
Activity 100 Body Twist Song
Activity 101 Transposition: Shapes
Activity 102 Patterns: Rules
Activity 103 Money: Pennies, Nickels, and Dimes
Activity 104 Money: Penny/Nickel/Dime comparisons
Activity 105 Directions
Activity 106 Opposites
Activity 107 North/South/East/West Song
Activity 108 Writing numbers: 9
Activity 109 Time: Relative estimation
Activity 110 Number comparisons
Activity 111 Numbers: Absolute and relative estimation
Activity 112 Time comparison
Activity 113 Review test #2
Activity 114 Review test #2 answers
Activity 115 Group of 1: solo
Activity 116 Signs: Plus
Activity 117 Signs: Minus
Activity 118 Signs: Equals
Activity 119 Signs: Review
Activity 120 Equations using numbers
Activity 121 Comparisons by memory
Activity 122 Money
Activity 123 Decimal System Addition
Activity 124 Signs: Less than
Activity 125 Signs: Greater than
Activity 126 Comparisons using signs

Activity Book 1 Curriculum

Activity 127 Signs: Not equal
Activity 128 Signs: Review
Activity 129 Inequality: Use of signs
Activity 130 Probability: Experimentation
Activity 131 Introduction to Roman Numerals
Activity 132 Writing inequalities
Activity 133 Rotation by quarter turns
Activity 134 Inequalities using dice
Activity 135 Size/Length/Mass Comparison Song
Activity 136 Inequalities using cubes
Activity 137 Addition using fingers
Activity 138 Addition: Word problem
Activity 139 Skip counting by 2 using the number line
Activity 140 Song: Two by two
Activity 141 Counting and comparing groups elements and size
Activity 142 Determining rules
Activity 143 Signs: Less than or equal to
Activity 144 Signs: Greater than or equal to
Activity 145 Signs: Review
Activity 146 Inequality using signs
Activity 147 Counting with dots: 1-5
Activity 148 Inequality: making sentences
Activity 149 Determining rules: adding
Activity 150 Inequalities using the number line
Activity 151 Addition using strips
Activity 152 Equations using money
Activity 153 Equations using numbers
Activity 154 Equations using shapes
Activity 155 Review test #3
Activity 156 Review test #3 answers
Activity 157 Group of 2: duet
Activity 158 Arithmetic: filling in the blanks (up to 2)
Activity 159 Word problems: money
Activity 160 Song: Adding and subtracting up to 2
Activity 161 Addition to 2 using dominos
Activity 162 Squares: introduction
Activity 163 Twos Song
Activity 164 Word problem using subtraction
Activity 165 Subtraction equations
Activity 166 Building addition equations
Activity 167 Adding to 2 using the number line and cubes
Activity 168 Addition to 3 using dominos

Activity Book 1 Curriculum

Activity 169 Pattern recognition and repetition
Activity 170 Number pattern recognition and repetition
Activity 171 Making an inequality true
Activity 172 Arithmetic: filling in the blanks from memory (up to 2)
Activity 173 Inequalities: filling in the blanks
Activity 174 Weight and the balance
Activity 175 Determining shape patterns and pattern exceptions
Activity 176 Song: Which doesn't belong?
Activity 177 Counting with dots: 6-10
Activity 178 Ordinal counting
Activity 179 Word problem: subtraction
Activity 180 Addition up to 3 by memory
Activity 181 Filling in the blanks: number patterns
Activity 182 Addition to 3
Activity 183 Skip counting to 20, forwards and backwards
Activity 184 Adding to 3 using the number line
Activity 185 Skip counting by 3
Activity 186 Squares: 3 by 3
Activity 187 Skip counting and ordinal numbers using colors
Activity 188 Adding to 3 using dominos
Activity 189 Threes Song
Activity 190 Group of 3: trio
Activity 191 Fill-in-the-blank arithmetic for numbers up to 3
Activity 192 Arithmetic up to 3
Activity 193 Geometry: Equilateral triangle
Activity 194 Geometry: Isosceles triangle
Activity 195 Review test #4
Activity 196 Review test #4 answers
